THÉÂTRE XIV

Company XIV fuses burlesque, circus, opera, dance, theater and decadent design to create one-of-a-kind theatrical experiences inspired by the court culture which flourished under the reign of Louis XIV. Founded by Artistic Director Austin McCormick in 2006, the company produces 360-degree immersive productions at its 175-seat Théâtre XIV in Bushwick, Brooklyn. XIV's commitment to pushing boundaries is unparalleled, creating immersive and genre-defying baroque burlesque productions including *Queen of Hearts*, *Cinderella*, *Nutcracker Rouge* and *Seven Sins*.

Théâtre XIV offers a food and beverage program for patrons including themed cocktails, champagne and absinthe menus and a selection of treats.
