Schedule: to be determined with Production Manager

**COMPANY XIV**

Company XIV fuses dance, theater, circus, opera, burlesque and decadent design to create one-of-a-kind theatrical experiences inspired by the court culture which flourished under the reign of Louis XIV. Founded by Artistic Director Austin McCormick in 2006, the company produces several 360-degree immersive productions annually at its 175-seat Théâtre XIV in Bushwick, Brooklyn. XIV's commitment to pushing boundaries is unparalleled, employing dozens of eclectic artists annually in immersive and genre-defying baroque burlesque productions. Recent mainstage events include *Nutcracker Rouge*, *Cinderella*, *Seven Sins*, and *Queen of Hearts*.

**POSITION**

**Sub Dresser** - Company XIV seeks a non-union, detail-oriented, sophisticated, smart, and friendly individual who will serve as a part-time/sub Dresser for *Cocktail Magique* and/or *Queen of Hearts*. This is a part time position, perfect for someone wanting to introduce themselves to the company, with potential for more full time employment in the future. Responsibilities include preshow laundry distribution, presetting costumes, administering quick changes, intermission changeover, taking notes for the dayworker, and post show vodka spraying/hanging of garments.

We're looking for individuals who possess a willingness to jump in and help with all departments in an emergency and the ability to work well with and communicate well with a variety of personalities in a dynamic, immersive environment. Must be able to problem solve at a moment's notice and anticipate problems before they happen, whether it be safety concerns for performers or audience, or any elements needing repair. Please be genuinely excited to be part of a small team!
