ABOUT THE ROLE

Théâtre XIV is looking for a creative, camera-savvy content creator to capture the magic happening on and off our stage. This is an on-site, part-time role built around our show schedule — you'll be in the room when the lights go down, the costumes come out, and the champagne pops, translating all of it into content that makes people stop scrolling.

You'll work closely with our marketing team to conceive, shoot, and edit short-form content for Instagram and TikTok — everything from polished promotional clips to raw, irresistible BTS moments. If you have a knack for finding the funny, the beautiful, and the utterly unexpected in a single evening, you'll fit right in.

Responsibilities

- Conceive, shoot, and edit original short-form content (Reels, TikToks, Stories) that captures the feeling of a night at Théâtre XIV — audience energy, atmosphere, and the moments between moments
- Develop hooks, concepts, and captions that align with the Company XIV brand voice to surprise, seduce, and convert
- Actively monitor, catalog and deploy trending audio, formats, and transitions across Instagram and TikTok
- Collaborate with the marketing team on content calendars and campaign priorities
- Deliver edited, post-ready assets with caption drafts

- Maintain an organized library of raw and finished footage

Qualifications

- Demonstrated experience producing short-form video content for Instagram and TikTok (portfolio or active account required)
- Strong on-camera instincts: you know where to point the phone before the moment happens
- Proficient in mobile and desktop editing tools including platform native tools, Adobe Premiere, Canva, IG Edits and Cap Cut
- Proven copywriting instincts and a way with words
- Genuine sense of humor and an eye for the absurd, the glamorous, and the human
- Confident and personable; able to warm up an audience member and coax out a genuine moment on the spot
- Comfortable working in a live performance environment: low light, quick movement, unpredictable timing
- Self-directed and reliable; able to manage your own shot list and deadlines without heavy supervision
- Background in dance, performance, or theater
- Familiarity with the New York nightlife, cabaret, or burlesque scene
- Basic photo editing skills (Photoshop or equivalent)

Schedule

- Primary availability: Thursday–Sunday, approximately 6–10pm
- Must be able to capture at the venue during live shows at least twice per week
- Schedule has some flexibility week-to-week; coordination with marketing team required
